their needs were met

We have a new telephone system which has significantly improved telephone access with a cancellation line and call back feature.

You said,
we did

Dr Fozia Hussain (female GP) has joined us and will be working on a Wednesday and Thursday which has increased our access to a female GP to Monday, Wednesday, Thursday and Friday.

Did you
know...

We will be introducing an app called Dr iQ from May 2022. Patients can register for access on the following link: <https://bit.ly/BramKing>

Dr. iQ allows patients to:

- Register with us
- Conduct online consultations
- Order medications
- Request a letter/Sick note/Blood test

If you have five minutes today, why not....

Join our Patient Participation Group? For more information check out our PPG page on our website.

Register for Dr iQ: <https://bit.ly/BramKing>
